

# YOUR GIFT TO LONDON

Remembering the  
Museum of London in your Will

The Museum of London welcomes over 1 million people each year, connecting them with the ever-changing city and its history. As a charity, we rely on donations to continue our mission to inspire a passion for London.

Please consider being a part of London's future by leaving the museum a gift in your Will.

# YOUR STORY IS LONDON'S STORY

The Museum of London tells the **STORY OF THE WORLD'S GREATEST CITY AND ITS PEOPLE.**

Our goal is to be part of every Londoner's life through free access to our collection of six million objects.

We have bold ambitions for the future, and you can be part of it. The museum will relocate to West Smithfield by 2022. We will transform the way we interact with London and Londoners.

Our vision is to create a world-class museum that embodies the spirit and energy of the city. A museum that is a welcoming, inspirational and innovative destination for all visitors, as well as a centre of excellence in research, curatorship, conservation and learning.

As a charity, we are grateful for donations which help us realise our aspirations.

# REACH EVERY LONDON SCHOOLCHILD

**‘Inspiring and memorable learning experience – something a textbook cannot show’**

**PRIMARY SCHOOL

CONNECTING WITH YOUNG LONDONERS is at the heart of our purpose as a museum. We want all children across the capital to be fascinated by the history and heritage we share, grow up excited by what they can discover in the Museum of London, and to feel empowered to shape their city’s future.

We aim to engage future generations of Londoners through our free, award-winning learning programmes including Primary and Secondary Learning, Special Educational Needs Learning and Family Learning programmes.
