## WE ARE LONDON. JOIN US.

**Become a Corporate Member at the Museum of London and align your brand with the most diverse and vibrant city in the world.**

Our museums tell the extraordinary story – past, present and future – of London and its people. Our Members enjoy a range of fantastic benefits, allowing staff, clients and stakeholders to share a deep connection with London and everything that makes this city so special.

Throughout the year our Members take advantage of a variety of fascinating, stimulating and unique engagement opportunities and experiences, at both of our museum sites and across London.

By selecting one of three Membership levels, your company can make use of our unique public and private events programme, as well as our stunning events spaces. Alongside our permanent galleries, our Members also take full advantage of the museum's hugely popular major exhibition programme.

By becoming a Corporate Member your company will also directly support vital work across our museums, helping us to achieve our bold ambitions, including:

- Reaching every London schoolchild through our award-winning learning programmes
- Continuing to build, care for and display the London Collection
- Delivering world-class research, delving deeper and asking questions about our shared experience as Londoners
