

SUMMER PARTY PACKAGES 2016

THE RIGHT SPACE FOR YOUR SUMMER EVENT

With its waterside location and beautiful Grade I listed features, the Museum of London Docklands is the perfect setting for the party of the year.

This season we have collaborated with Moving Venues to create two delicious menus inspired by the pirates of West India Quay!

There will be a cocktail reception, unlimited house wine, beer and soft drinks throughout the evening and, if the weather is with you, you can enjoy our terrace space overlooking the sun-drenched quayside.

The Muscovado Hall's original exposed brickwork and pine columns will create a unique backdrop for your event. The space has capacity for up to 400 people and our dedicated team will be delighted to work with you to put together the most memorable party ever.
