## Image Editing For Beginners

**Date:** Thursday 08 October
**Time:** 11am – 2pm
**Location:** Online, Via Zoom

**Trainer / Facilitators**: Alec Ward, Museum Development Officer, Digital and Communications

**What will be covered?**

This session will introduce you to editing images using the free online platform Pixlr. Alec will take you through the basics of image editing using the platform and we will also take a look at how you might create a GIF using your collection items and the programme. If there is time, we will take a look at GIMP – a more powerful free image editing programme, similar to Photoshop.

Through Pixlr, we will cover:

- Removing backgrounds
- Overlaying text
- Overlaying images
- Basic image editing / manipulation
- Creating a GIF
- And more…

**Learning objectives**
By the end of this session you will:
- Be able to edit an image using image editing platforms
- Have an understanding of how to make your images look a little more professional
- Be able to create a GIF using your edited images

**Support towards Museum Accreditation**

Users and their experiences:
Standard 3.1 Good quality services and development
3.2 User focused experience
3.3 Effective learning experience

**Further information**

Please ensure you have your line manager's permission to attend before booking your place as confirmation is sent to the museum. Final confirmation of places will be sent out at least a week before the course.

Priority is given to staff working in non-national museums in the London region.
